Charles Gray:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
