I built this list after my father paid several dollars for a classic that was available free on Kindle. Everybody who loves classic literature knows that it can be confusing to find out-of-copyright copies for free with so many people trying to sell paid versions of the same titles.

To download free eBooks directly, you must use Kindle Fire. Amazon has changed their other Kindle reader software (PaperWhite, eInk and Touch) so those users must use this eBook in Amazon's downloadable Cloud Reader (read.amazon.com) on a PC or laptop to select and send the free classics to their Kindle. iPad users must use the Cloud Reader from "Manage Your Content and Devices" to use the download links, see "From The Author" below. Amazon Prime members are welcome to use their free monthly borrow to get this list and download hundreds of the free classics for future reading.

If you are reading on an old Kindle 2 or Kindle 1, you can add the book to your Wish List and the next time you use a computer to access Amazon, you can have the Wish List items sent to your Kindle for free.
