J. G. Ballard

**Miracles of Life: Shanghai to Shepperton, An Autobiography** J. G. Ballard

**A final statement from the greatest clairvoyant of twentieth-century literature.**

Never before published in America, this revelatory autobiography—hailed as “fascinating [and] amazingly lucid” (*Guardian*)—charts the remarkable story of James Graham Ballard, a man described by Martin Amis as “the most original English writer of the last century.” Beginning with his Shanghai childhood, *Miracles of Life* guides us from the deprivations of Lunghua Camp during World War II, which provide the back story for his best-selling *Empire of the Sun*, to his arrival in war-torn England and his emergence as “the ideal chronicler of our disturbed modernity” (*Observer*). With prose of characteristic precision, Ballard movingly recalls his first attempts at science fiction, the 1970 American pulping of *The Atrocity Exhibition*—which sprang from his fascination with JFK conspiracy theories—and his life as a single father after the premature death of his wife. “This book should make yet more converts to a cause that Ballard’s devotees have been pleading for years” (*Independent*). 12 illustrations
