Three Hearts, Two Nights, One Love: A Hotwife Novel Lexi Archer

A novel from Lexi Archer, author of your favorite books about ladies who stray and the men who love them for it!

Another vacation. Another chance for Dave to convince his beautiful wife Laura to fall into the arms of another man. If only she'd take him up on the offer.

Laura is intrigued by the offer but terrified it might ruin their relationship. Only she finds her willpower tested as she's thrown into a Spring Break world of temptation filled with hard bodies and sexy college studs who'd love to get with her almost as much as her husband would love her to get with them.

Kristi is Laura's best friend. On the rebound and out for a good time, she just might be the co-conspirator Dave needs to finally see his ultimate fantasy fulfilled. The only problem is Kristi is dealing with some pretty strong and confusing feelings for both Laura and Dave, but that has to be the rebound talking. Right?

Nothing is simple but all the risks are so worth it as three hearts come together to fulfill multiple forbidden fantasies on a wild vacation that will change their lives forever!
