Media Ethics: A Philosophical Approach

Matthew Kieran

Media Ethics: A Philosophical Approach Matthew Kieran

From attempting to inform us about current events to entertaining us with imagined worlds, the media has a primary influence upon how we conceive the world, ourselves, and others. Consequently, the moral complexities, dilemmas, and duties that arise in relation to journalism and the media are difficult to negotiate. Critically developing a philosophical approach to conceptualizing the aim of journalism; the nature of good, impartial reporting; and moral restrictions concerning lies, deceit, violence, and censorship, this book argues for substantive positions concerning what we should, rationally, hold as the moral rights and duties of journalists and the media.
