Wickham's Diary

Amanda Grange

Wickham's Diary Amanda Grange

11 July 1784

Why should I be beneath Fitzwilliam? I am just as handsome as he is; I am just as intelligent, even though he works harder at his books; and I am just as amusing; in fact I dare say I am a great deal more amusing, for Fitzwilliam is so proud he will not take the trouble to entertain other people. Yet although he is no better than me, when he grows up he will inherit Pemberley, and I will inherit nothing...

He wasn't always this cold-hearted...

George Wickham had everything going for him. He's handsome, charming and sincere. Old Mr. Darcy loves him like a son. Fitzwilliam Darcy, the companion of his youth, is powerful and moral. What are the forces then that would turn this young man's destiny from one of promise to one of treachery and villainy? And could it happen again?

Praise for Mr. Darcy's Diary:

"Absolutely fascinating. Amanda Grange seems to have really got under Darcy's skin and retells the story, in diary form, with great feeling and sensitivity."

-Historical Novel Society
