Do The Things You Usually Say Help You, Or Maybe Hold You Back?

Dear Friends,

Have you ever considered how many times you intuitively felt that maybe you lost something important or crucial, simply because you unwittingly said or did something, which put somebody off?

Maybe it was a misfortunate word, bad formulation, inappropriate joke, forgotten name, huge misinterpretation, awkward conversation or a strange tone of your voice?

Maybe you assumed that you knew exactly what a particular concept meant for another person and you stopped asking questions?

Maybe you could not listen carefully or could not stay silent for a moment? How many times have you wanted to achieve something, negotiate better terms, or ask for a promotion and failed miserably?

It's time to put that to an end with the help of this book.

Lack of communication skills is exactly what ruins most peoples' lives. If you don't know how to communicate properly, you are going to have problems both in your intimate and family relationships. You are going to be ineffective in work and business situations. It's going to be troublesome managing employees or getting what you want from your boss or your clients on a daily basis. Overall, effective communication is like an engine oil which makes your life run smoothly, getting you wherever you want to be.
