**Maximillien de Lafayette Pioneer of the Neo Progressive Cubism: His Paintings and Passages from His Life. Volume 1. 6th Edition. (Maximillien de Lafayette Neo Cubism Painting)** Sophie Lemaire, Maximillien de Lafayette, MARIE-LOUISE de CHAMBERTIN, Dr. John Chen, Theodore Marlins 6th Edition. Volume 1 of a series of 2 volumes: The book includes hundreds of original paintings and relevant commentaries. Elegantly produced with an astonishing selection of artwork from his pioneering movement PROGRESSIVE NEO CUBISM in the seventies. A book about the art of Maximillien, including episodes from his extraordinary life never told before. His life at the monastery, in the circus, in the Romano studio, his confrontations with major museums curators, so on.

A magnificent selection from his work during the early seventies and eighties. A rare opportunity that provides a general outlook at his pioneering Neo-Cubism movement in Europe. “Unfortunately, this genius, and master of colors did not pursue a most promising career”, said Italy’s great Severini. The book is lovely, elegantly printed and produced with meticulous attention to his early work, blended with unusual visions, and a fascinating exploration of the esoteric, yet ultra modern conception/design of the contemporary French-Italian school of abstract-neo cubism.

Do not miss this book! It is a rare opportunity to witness Lafayette’s genius and multiple dimensions. Maximillien de Lafayette website: [www.maximilliendelafayettebibliography.com](http://www.maximilliendelafayettebibliography.com)
