Maps and Legends: Reading and Writing Along the Borderlands

Michael Chabon

Maps and Legends: Reading and Writing Along the Borderlands Michael Chabon

Michael Chabon's sparkling first book of nonfiction is a love song in 16 parts — a series of linked essays in praise of reading and writing, with subjects running from ghost stories to comic books, Sherlock Holmes to Cormac McCarthy. Throughout, Chabon energetically argues for a return to the thrilling, chilling origins of storytelling, rejecting the false walls around "serious" literature in favor of a wide-ranging affection. His own fiction, meanwhile, is explored from the perspective of personal history: post-collegiate desperation sparks his debut, *The Mysteries of Pittsburgh*; procrastination and doubt reveal the way toward *Wonder Boys*; a love of comics and a basement golem combine to create the Pulitzer Prize-winning *The Amazing Adventures of Kavalier & Clay*; and an enigmatic Yiddish phrasebook unfurls into *The Yiddish Policeman's Union*.
