Mexico at War: From the Struggle for Independence to the 21st-Century Drug Wars

David F. Marley

Mexico at War: From the Struggle for Independence to the 21st-Century Drug Wars David F. Marley

Mexico's past is riddled with stories of struggle—military battles, internal rebellions, revolutions, and drug wars. This in-depth reference provides a complete military history of that country since its War of Independence in 1810 through the present day. From the evolution of combat in the region, to the motivations and tensions behind recurrent conflicts, to the dubious beginnings of drug gangs and warlords, this is the only book of its kind to explore Mexican warfare in such great depth.

This detailed study consists of an alphabetical compilation of roughly 300 entries dealing with different facets of hostile encounters throughout the country's history. In addition to covering key places and people, regional expert and author David F. Marley offers unique insights into more obscure topics such as the 1913 aerial bombardments at the port of Guaymas, visits from American luminaries, colorful Mexican military slang, and the songs that identify various political factions. The work includes a host of important historical documents, a glossary, and an extensive bibliography to encourage further research on the subject.
