Cyberpunk: a Brief Guide Stijn De Puydt

What is cyberpunk? It's a question often asked to the author. Maybe you've asked the question yourself. The term cyberpunk is no longer in common use. It was better known during the 80s, when the genre's best known work was published, *Neuromancer* by William Gibson. Attempting to give a sensible answer to the people asking this question, the author stumbled upon a comprehensible definition and some key characteristics that make it clear to the askers. This definition and these characteristics are now compiled within this e-book to inform a wider audience. May it set them on a journey to start enjoying cyberpunk, or enjoy it more deeply.
