Lost in Translation Vol. 1: Rediscovering the Hebrew Roots of Our Faith John Klein, Adam Spears

Despite the sensational nature of its subject, *Lost in Translation: Rediscovering the Hebrew Roots of our Faith* is written in simple, clear, rational language that relies 100 percent on the Bible as the ultimate authority. The book's authors clear away centuries of confusion surrounding subjects that are seldom addressed in modern sermons and Bible studies. Using the ancient Hebrew language and culture, the authors clarify many of the Bible's so-called "mysteries" and help the reader rediscover many of the foundational truths that have been "lost in translation." Topics include: • Who is the Bride of Messiah? • Is there a difference between covenant and testament? • Israel: Who are they really? • What is the difference between devils, demons, and nephilim? Join us on an exciting adventure to rediscover the treasures still buried within the pages of The Book that reveal the pathway to the heart of God. "A must-read for the church! Providing foundational insights which lead to a greater understanding of God's master plan, this book will open your eyes to scriptural distortions due to the centuries of Greek influence on the church." – Corey Berti, Senior Pastor, Silver Valley Worship Center, ID "I've been a believer for 12 years, and I've read numerous scriptures that didn't make sense. The authors do a tremendous job of explaining the importance of understanding our Hebrew roots which provide context and clarity to the overall theme of God's message. It's like watching TV in black and white and then suddenly seeing it in color. The truth hasn't changed, but it's meaning becomes more vivid." – Jason Carr
