Quoted more than 120 times in the New Testament alone, and used to form the Christian view of Angels & Demons, this book connects the dots of doctrine and prophesy in the scriptures. Details are revealed about the "Sons of God (Angels)" that left their positions in heaven to marry human women--their having children that then became the Giants and Monsters known to Greek culture as the Titans. It was these Angels who introduced to humanity -- violence, sorcery, money, and even women's makeup and "evil spirits."

This book, along with the Book of Jubilees, is considered sacred to the Christian church in Ethiopia and is placed in their Bible alongside other Old Testament books.

This unique collection is the result of several years research and teaching End Times Prophecy from an Old Testament and Hebrew (Jewish) Roots perspective.
