"Thunderhead is the metaphysical, medicine path coming-of-age epic of the New Millennium. It celebrates adulthood as a continuing journey through spiritual evolution." - Pipe Dreams "The anti-hero of Thunderhead is believable and makes mistakes, just like all the rest of us. It is good to know that one can be on the path of spiritual advancement, yet far from perfect." -Aja Alegbed, Shrine of Ogun and Oya, Inland Empire, California "It's about time someone admitted to spirit contact on a regular basis without fear of recrimination. I was there with Hawk as he learned, made mistakes and talked to discarnate souls. I felt his fear and triumph. Then I tried it all on for size, in my own life, using Crawford's lessons at the end of each chapter. We can transcend our physical bodies. Read this book. Go where he went." -Cory Thunderhorse, Shadowlight Nation "Healing comes from knowledge. Knowledge comes when we overcome fear. Thunderhead: A New Age Life and Times is about fear, knowledge and healing." -Healing Network News "We're all Little Witches, like Dougie. Find the Little Witch in you, in the pages of Thunderhead." - Morganna Warday, Grey Cat Coven, San Diego, California
