When Someone Dies: The Practical Guide to the Logistics of Death

Scott Taylor Smith

When Someone Dies: The Practical Guide to the Logistics of Death Scott Taylor Smith

Scott Taylor Smith, a venture capitalist and lawyer, had plentiful resources, and yet after his mother died, he made a series of agonizing and costly mistakes in squaring away her affairs. He could find countless books that dealt with caring for the dying and the emotional fallout of death, but very few that dealt with the logistics.

In the aftermath of his mother's death, Smith decided to write the book he wished he'd had. *When Someone Dies* provides readers with a crucial framework for making good, informed, money-saving decisions in the chaotic thirty days after a loved one dies and beyond. It provides essential, concrete guidance on:

- **Making funeral and memorial service arrangements**
- **Writing an obituary**
- **Estate planning**
- **Contacting family and friends**
- **Handling your loved one's online footprint**
- **Navigating probate**
- **Dealing with finances, including trusts and taxation**
- **And much, much more**

Featuring concise checklists in each chapter, this guide offers answers to practical questions, enabling loved ones to save time and money and focus on healing.
