Do you have a copy of the best-selling Athletic Training Exam Review that has been on the market for the past 10 years?

For more than 10 years, athletic training students have relied on *Athletic Training Exam Review: A Student Guide to Success* to guide them through the exam process and prepare them for the biggest day of their educational career. The expanded and updated Fourth Edition continues the tradition of past editions and will help to prepare students for the BOC exam.

Lynn Van Ost, Karen Manfré, and Karen Lew have taken *Athletic Training Exam Review: A Student Guide to Success* to the next level with the *Fourth Edition*. With new questions, additional sections, and more on-line components, today's athletic training student will need to look no further than this best-selling study guide.

Athletic Training Exam Review: A Student Guide to Success, Fourth Edition is a user-friendly and thought-provoking study guide that will provide students with a solid foundation to assist in the studying process—when to begin studying, what to expect as exam day approaches, what to do if you don't pass the first time.

Inside The Text You Will Find:

- Multiple choice questions—over 1,050 questions
- True and false questions—60 questions
- Applied decision making questions—over 25 realistic clinical scenario questions
- Skill assessment questions—over 25 questions about realistic tests and procedures
- Critical thinking questions—over 10 problem-based questions related to medical conditions

On-line Testing Components Include:

- Multiple choice questions—3 exams of 150 randomly selected questions from an on-line bank of 450 questions
- True and false questions—3 exams of 30 randomly selected questions from an on-line bank of 60 questions.
- Identification questions—8 anatomically based questions incorporating a “drag and drop” feature to reinforce the learning process
- Applied decision making questions—3 tests (2 problems each) of clinical scenario examples—apply what you have learned to solve the situation
- Critical thinking questions—10 problem-based questions related to medical conditions—narrow down the answer choices to the correct diagnosis

Athletic Training Exam Review: A Student Guide to Success, Fourth Edition also assists students in highlighting their individual strengths and weaknesses as related to the domains of athletic training and associated subjects, as well as features a variety of changes that reflect current trends in academic testing, patient evaluation, and critical thinking.

Athletic Training Exam Review: A Student Guide to Success, Fourth Edition has once again introduced new topics, as well as tried and true study techniques, making it the essential go-to resource for athletic training students looking to successfully prepare for the BOC exam.

From reader reviews:

Rosa Johnson:

What do you ponder on book? It is just for students since they are still students or that for all people in the world, exactly what the best subject for that? Just simply you can be answered for that issue above. Every person has several personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great along with important the book Athletic Training Exam Review: A Student Guide to Success. All type of book would you see on many methods. You can look for the internet sources or other social media.

Jack Rosa:

As people who live in often the modest era should be update about what going on or facts even knowledge to make these people keep up with the era that is always change and move forward. Some of you maybe may update themselves by examining books. It is a good choice for you but the problems coming to a person is you don't know which you should start with. This Athletic Training Exam Review: A Student Guide to Success is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Charles Collier:

This Athletic Training Exam Review: A Student Guide to Success is great book for you because the content which can be full of information for you who have always deal with world and possess to make decision every minute. This book reveal it information accurately using great plan word or we can state no rambling sentences inside it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having Athletic Training Exam Review: A Student Guide to Success in your hand like obtaining the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world inside ten or fifteen minute right but this publication already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt that?

Mitchell Peed:

A lot of publication has printed but it is unique. You can get it by online on social media. You can choose the most effective book for you, science, amusing, novel, or whatever simply by searching from it. It is referred to as of book Athletic Training Exam Review: A Student Guide to Success. Contain your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make you actually happier to read. It is most important that, you must aware about guide. It can bring you from one destination for a other place.
