Custom Rod Thread Art Dale P. Clemens

"Hand a person a custom made rod," says expert rod maker Dale P. Clemens, "and in almost every instance one of the first things he looks at is the decorative thread work," because a handsome rod is more desirable to own and fish. Clemens guides his readers through the organizational process of threading, illustrates the uses of patterns and replicas, explains how to wrap and weave, and gives his personal tips on how to make every rod "a never ending kaleidoscope of form, shape and color." Offering a sound introduction to the essentials of thread work on round surfaces and more than one hundred rod art patterns suitable for both advanced hobbyists and professionals, *Custom Rod Thread Art* is the authoritative work on the subject.

From reader reviews:

Brandy Greenawalt:

What do you consider book? It is just for students as they are still students or it for all people in the world, what best subject for that? Only you can be answered for that question above. Every person has distinct personality and hobby for each other. Don't to be compelled someone or something that they don't desire do that. You must know how great as well as important the book Custom Rod Thread Art. All type of book would you see on many sources. You can look for the internet solutions or other social media.

Jennifer Carter:

The reason? Because this Custom Rod Thread Art is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book adjacent to it was fantastic author who also write the book in such amazing way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the book store hurriedly.

Sheila Searcy:
