The Apostolic Fathers in English

The Apostolic Fathers in English

The Apostolic Fathers is an important collection of writings revered by early Christians but not included in the final canon of the New Testament. Here a leading expert on these texts offers an authoritative contemporary translation, in the tradition of the magisterial Lightfoot version but thoroughly up to date. The third edition features numerous changes, including carefully revised translations and a new, more user friendly design. The introduction, notes, and bibliographies have been freshly revised as well.
