We'll Meet Again...

When Ali inherits her great-aunt's house she immediately moves her whole family in, despite the warnings that there is something strange about the place.

Unfazed Ali begins redecorating, going through the rooms, making each one her own with the help of her daughter, Kelly. But when under the wallpaper in Kelly's new room they discover a scrawled message from 1944 Ali begins to question the history of the house as she knows it.

Her family has always seemed so picture perfect, not a blemish or a secret to be found. Yet, this discovery throws her into confusion and Ali begins to question exactly what she knows about her family and the mysteries they have kept hidden...
