**The disturbing exploration of a previously unreported murder of a young boy by a Satan-worshipping teenager in 1970s Ireland**

On a bright and sunny June afternoon, a seven-year-old boy was left in the care of his teenage neighbor. No one knew, or would even have dreamed of suspecting, that the teenager was a Satanist. The two went out to the fields to look for rabbits. The child was never seen alive again. For the first time, this book reveals the exact events of that summer day: how the youngster was lured to his death, how the teenager came to delve so deeply into the occult, and the nightmarish scene awaiting police when they entered the attic. But there is another disturbing question—how is it that this murder, which was easily one of the most shocking and horrific in living memory, was barely reported upon at all? Why have you never heard of the boy in the attic until now?
