## **The Chosen [Play]** Chaim Potok

A standing-room-only hit wherever it has played, this award-winning adaptation from the award-winning novel is the story of two boys, two fathers and two very different Jewish communities-five blocks and a world apart-in Williamsburgh, Brooklyn, in the 1940s. Set against the backdrop of WW II, the revelation of the Holocaust, and the desperate struggle of Zionism, THE CHOSEN remains not essentially political or religious but deeply human. Reuven Malter and Danny Saunders are both passionate and intelligent young men. When Reuven is injured by Danny during a heated baseball game between their rival yeshivas, a unique friendship is born. As the boys grow to manhood, they are forced to learn important lessons about each other, their fathers and themselves. This is a story of friendship, family and difficult choices that we must all make on the path to understanding, respect and reconciliation.
