How To Be A Sexual God (In Three Easy Lessons!): Books 1 And 2 In One Volume Dusty White

This book is no longer for sale. I am removing it from the market now, and that should reflect on all channels by January 1st 2014. This book is too dangerous in the wrong hands. I have sold several thousand print copies in an extremely short time and that is enough. I wrote this book 20 years ago. I was someone else back then. Thanks to everyone who bought this book and used it, but this book is no longer to be shared with the public. All digital editions have been removed and will not be available. I had fun writing it and selling it all through the 90's. But that was a long time ago. It is time to put this to bed and write on different subjects. This short course will make you socially adept in dealing with women for the rest of your life, and instruct you in the subtle arts of mastering great relationships. Two books are condensed into one comprehensive volume. The first provides a brutally honest, detailed analysis of every woman you will ever date: her strengths, weaknesses, her desires, and her most closely-guarded secrets - including how to spot her in a crowd, how to seduce her, and how to be rid of her if and when you no longer desire her company. The second book explores highly advanced concepts of manipulation and seduction utilized by the world's greatest pick-up artists and marketing masters. This text is presented to you without judgment, in such a way as to challenge everything you believe, so that you may examine your own mind, and break free from the manipulation of the women you desire most. The context is laid out using Astrology as a guidepost to shorten the learning curve, and help you get results fast.
