A Great and Godly Adventure

Godfrey Hodgson

A Great and Godly Adventure Godfrey Hodgson

The first Thanksgiving wasn't celebrated with turkey (there weren't any in Massachusetts) and didn't take place in 1621. Indeed the settlers, who probably didn't think of themselves as Pilgrims and were most certainly not revolutionaries against their king, were lucky not to be wiped out during their first winter. They probably would have been had the local Indian population not been affected even worse by disease and starvation.

In this fascinating history of America's favorite creation myth, peppered with delightful and unexpected insights, Godfrey Hodgson throws new light on the radicalism of the so-called Pilgrims, the financing of their trip, the state of the Indian tribes that they encountered when they landed and the reasons why Plymouth probably didn't have a rock.

From reader reviews:

Justin Fernandez:

Nowadays reading books become more and more than want or need but also get a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining for instance comic or novel. The A Great and Godly Adventure is kind of book which is giving the reader unstable experience.

Virginia Higgins:

Spent a free time to be fun activity to do! A lot of people spent their spare time with their family, or their very own friends. Usually they performing activity like watching television, gonna beach, or picnic inside the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? Could possibly be reading a book might be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to test look for book, may be the book untitled A Great and Godly Adventure can be fine book to read. May be it is usually best activity to you.

Sarah Acres:

The actual book A Great and Godly Adventure has a lot of information on it. So when you read this book you can get a lot of profit. The book was compiled by the very famous author. This articles author makes some research just before write this book. This particular book very easy to read you can get the point easily after scanning this book.

Linda Cooper:

People live in this new day of lifestyle always try and and must have the extra time or they will get wide range of stress from both daily life and work. So , when we ask do people have time, we will say absolutely of course. People is human not a robot. Then we request again, what kind of activity have you got when the spare time coming to an individual of course your answer will probably unlimited right. Then ever try this one, reading books. It can be your alternative with spending your spare time, the book you have read is actually A Great and Godly Adventure.
