We live in a culture where the beliefs and preferences of the individual are given final authority. Paul's firm commitment to the church as "the pillar and foundation of the truth" stands against that trend. His letters to Timothy and Titus call us to reestablish the core beliefs of Christianity and affirm our convictions about the gospel. Paul's priority in these letters is to make sure that the truth of the gospel is faithfully guarded and delivered to the next generation. Through these studies, we will be challenged to carry on the battle, armed with the truth of the gospel!
