John Trent, the brash, eccentric billionaire head of global business empire Trent Enterprises, needs an heir. Abandoned by his father and sworn to protect his wayward brother, it's essential that he establishes a line of succession to prevent disaster upon his death.

But who can he trust to carry his child?

Amy, John's devoted personal assistant, has long harbored secret feelings for her boss, and only the fear that she'd lose what little she had kept her from telling him how she felt. For years she's picked up the pieces after John's string of failed relationships, with each one hurting a little more than the last.

Could Amy be the one to provide him with an heir? Does she dare reveal her true feelings?

The Books Like Fifty Shades of Grey series is designed to help readers of the groundbreaking trilogy delve into the dark, alluring world of erotic literature.
