The Business Game—here's how you can win!

Are you a business owner, manager, or employee who struggles with:

- Taxes, cash flow, sales, and profits
- Marketing and advertising effectiveness
- Hiring, motivating, and managing talent
- The economy, stock market, and competitors
- Bosses, boards, stockholders and partners
- Never-ending to-do lists and sacrificing your quality of life to succeed?

If you answered "yes" to any of these, you've been playing The Business Game and suffering the consequences. Even if you're rolling in profits right now, there are hidden costs you're paying to earn that money—money that's always at risk.

You learned "the rules" and you've been faithful to them, thinking you can win. But you can't really win The Business Game, because it's *designed* to be unwinnable—that is, as long as you play by the rules you were taught. The only way to truly win is to bust loose from the "old" game and start playing a new game with a new set of rules.

This book helps you discover who you really are, what you're really capable of, and how you can tap new sources of power, wisdom, and abundance to radically transform your experience of business. When you bust loose from the old game, you'll suddenly be playing a new game:

- For the sheer pleasure of playing, with no worries about sales, marketing, profits, cash flow, taxes, other people, or personal income
- Entirely unaffected by the economy, stock market, competitors, or technological innovation
- Having more fun with less effort than you've ever experienced
- Doing only what you love to do—all day, every day
- Watching as amazing results come your way, without having to "make it happen"

It may sound unbelievable, but it's entirely possible. You *can* do it—if you open your mind and embrace the strategies in this book. *Busting Loose from The Business Game* leads you into a New Business Game filled with results and satisfaction beyond anything you've ever imagined possible. Read on... and bust loose!
