## **Halfway Herbert** Francis Chan

From best-selling author Francis Chan (*Crazy Love* and *Forgotten God*) comes a picture book for children 4 to 8. *Halfway Herbert* never completes anything. Homework remains half done, his room stays only partly clean, and dinner is never finished. *Halfway Herbert* somehow gets by. But when he tells a half-truth, he learns the importance of honesty and of following God with all his heart.

Through Chan's trademark teaching and storytelling, children discover what living for God really means. *Halfway Herbert* offers parents a practical tool for inspiring godly character. Parents will appreciate that Chan, a father of four, understands the character development issues parents face. And fans of his previous books will treasure lessons geared especially for children.
