Oracle Essbase 9 Implementation Guide Joseph Sydney Gomez, Sarma Anantapantula

This book uses a practical step-by-step approach with the next chapter always building on the knowledge foundation created by the previous chapter. Understanding and really grasping the multidimensional concept is difficult enough without a lot of confusing jargon thrown in. This book speaks to the reader in plain English with plenty of easy-to-follow examples. You will create, build, and maintain data for a fictional automobile company. This book is primarily for the IT professional who has a good understanding of IT principles and processes but is a multidimensional OLAP novice. Experienced OLAP professionals will also gain insight from this book. Simply put, if you are in the IT field and wish to gain a functional level of knowledge in the world of Oracle Essbase, whether it be for a developer role or a PM or BA role, this is the book you need.
