Rosicrucian Questions and Answers H. Spencer Lewis

Although originally a companion volume to Complete History of the Rosicrucian Order, this book works well as an independent reference, answering virtually every question one might have about Rosicrucianism. There is no better work available that outlines exactly what this mystical and sometimes secretive organization is truly all about. Important for members and researchers who want to know both fundamental and advanced information that would otherwise not be available. Originally published through the order itself, with answers supplied by the most respected Rosicrucian of his time, H. Spencer Lewis.
