*Step-Up to USMLE Step 2 CK* is your one-stop shop for high-yield, systems-based review during the clinical years of medical school. The 3rd edition underwent expanded and innovative content updates designed to keep students informed and prepared with regards to high stakes exams and clinical decision making. This edition packs illustrations, Next Steps, Mnemonics, and Quick Hits in a single, ingenious tool. Each element is tailored for immediate content absorption, and an all-new full-color interior differentiates elements for faster, more efficient review. Plus, Step-Up to USMLE Step 2 CK, third edition provides bonus material and study resources online for additional self-assessment and practice for this exam!

NEW Features and Content changes for this blockbuster edition:

- Improved flow of the tables and figures to match the flow of the text, so now tables and figures appear much closer to the text that they illustrate.
- Numerous typographical and factual errors were corrected along with figure revisions and improvements.
- Updated cardiovascular treatment strategies and best practices.
- Revised Chapter on GASTROINTESTINAL includes a major rearrangement of the Hepatic and Biliary diseases and rewrites for the Sections on Cirrhosis and Portal Hypertension.
- Entirely new sections on urinary incontinence and posterior urethral valves in the GENITONURINARY chapter.
- Endocrine chapter has been revised to reflect new drugs, new contraindications, and more thorough discussion of adverse effects.
- Significant additions, corrections, and clarifications plus a new table to include 3 entirely new classes of HIV drugs in the HEMATOLOGY AND ONCOLOGY chapter.
- Changes to the ER, ICU, and SURGERY chapter include an update to the Cardiovascular Emergencies algorithms to reflect 2010 updates and significant transfusion reactions.

CLASSIC Features students swear by:

- Complete coverage of high-yield topics—cause, risk factors, history and physical exam, lab studies or radiology, treatment and complications—ensures you are test ready!
- Mnemonics help you “file away” clinical information for handy retrieval at test time!
- Quick Hits glimmering in the margins highlight highly testable materials—just see how the sparks fly at test time!
- Next Steps margin notes guide you through the workup of a patient with practical tips to success!
- BONUS Material and study resources:
- eBook with fully searchable text available via thePoint.
- Image bank with all the images and tables from the book.
- 300 USMLE-style questions online allow for self-assessment and practice for the exam!

**From reader reviews:**

**Bryan Donovan:**

Reading a e-book can be one of a lot of task that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a guide will give you a lot of new information. When you read a guide you will get new information since book is one of several ways to share the information or maybe their idea. Second, reading through a book will make anyone more imaginative. When you examining a book especially tale fantasy book the author will bring you to imagine the story how the figures do it anything. Third, you can share your knowledge to other individuals. When you read this Step-Up to USMLE Step 2 CK, 3e (Step-Up Series), you may tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire different ones, make them reading a reserve.

**Lavone Anderson:**

People live in this new morning of lifestyle always aim to and must have the free time or they will get lots of stress from both way of life and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not really a huge robot. Then we inquire again, what kind of activity have you got when the spare time coming to an individual of course your answer will unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, the particular book you have read is actually Step-Up to USMLE Step 2 CK, 3e (Step-Up Series).

**John Threadgill:**

Playing with family in the park, coming to see the coastal world or hanging out with good friends is thing that usually you will have done when you have spare time, subsequently why you don't try factor that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Step-Up to USMLE Step 2 CK, 3e (Step-Up Series), you are able to enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't understand it, oh come on its identified as reading friends.

**Verna Hibbard:**

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Step-Up to USMLE Step 2 CK, 3e (Step-Up Series) can make you sense more interested to read.
