Your expert opinion is only as strong as your expert report. Opposing counsel can and will use every tactic, fair and unfair, to turn your own report against you. A well-written report is your first and best line of defense from such attacks. Equally important is your ability to recognize counsel's tactics and neutralize them. *Writing and Defending Your Expert Report: The Step-by-Step Guide with Models* is the seminal work on how to craft and confidently and expertly defend your expert report.
