Metaphysical Meditations (Self-Realization Fellowship) Paramahansa Yogananda

This little book offers definite metaphysical methods of meditation for the student who has already struggled through the mazes of rowdy thought and has entered the portals of silence. The meditations are of three types: prayers or demands addressed to God, affirmations about God, and those spoken to the individual consciousness. Contents: devotion and worship; meditations on God; expansion of consciousness; on finding God; on material concerns; on self-improvement; Christmas meditations.
