**Impossible Odds (Chronicle of the King's Blades Series Book 2)** Dave Duncan

Elite warrior swordsmen, they are unequalled in any time or realm . . .

The King's Blades

The King has decreed that new Blades must be sworn into the service of the Grand Duke Rubin, deposed by a foul usurper and currently on the run. But none of the rough youths being readied at Ironhall possess the seasoning to survive what better, more skilled Blades already have not. Still, two woefully unprepared candidates are approached with an offer of early bonding and probable death: deft but dense, rude Ranter, and eager, impetuous Ringwood . . . with a third, the inadequate swordsman but potentially able spy Bellman, enlisted into their threadbare ranks. Joining the Duke's entourage along with the courageous and prescient White Sister Trudy, the would-be champions must restore a rightful ruler to the throne or die in the process. But before them waits an army of the dead. And the Duke whom the Blades must protect to the last drop of their lifeblood is not the liege they imagined . . .
