Midnight Sun (Northern Lights Series #3) Lisa Tawn Bergren

The powerful conclusion of the epic, best-selling Northern Lights family saga. In *Midnight Sun*, the greatly anticipated conclusion to Lisa Tawn Bergren's Northern Lights series, the journey ends and the future begins for four friends in the wilds of Alaska. Desperate to know if her missing husband still lives, Kaatje hires a rugged yet tenderhearted guide through the perils of the Alaskan wilderness - and into what could be the greatest danger of her life. As captain of the *Majestic* and a mother of two, Elsa has sought to ease her aching, lonely heart. But when an old friend rekindles the spark of romance, will she allow herself to love again? With her foolish youth behind her, Tora looks forward to her wedding and a fresh start in life. But first she must confront the terrible demons of her past. Captain Karl Martensen, though widely admired, feels no emotion for any of the women in his life. He has only tender memories of the love he once lost - a love who, by God's grace, he may find again. From the fierce Alaskan wilderness to the gaiety of San Francisco society...from the familiar peaks of Bergen, Norway to the dark, churning waters of Cape Horn...witness the glorious finale of this epic family saga as four long-time friends journey out of the shadow of their darkest days into the bright sun awaiting them in the land of the Midnight Sun.
