Seek Me and Find Me Clearing the Heart Debris that Separates us from God This first book of a series is an overview of factors that work against hearing God and enjoying His presence and discusses what is involved in clearing them. But clearing heart debris calls for an environment with systematic, ongoing tools for unraveling and replacing the lies, half-truths, or outright deceit which have choked our relationship with the Lord. This book will be followed by five others; their combined purpose is to be such an environment—insofar as possible in book form. They will provide perspective on specific aspects of freeing our hearts, with practical exercises for the clearing process. The goal is to emerge into the presence of the Lord and know how to maintain communion or return quickly! The books to follow in the Seek Me and Find Me series are: Foundations for Hearing God Where did we get our impressions of God and self? How accurate are they? Attitudes of Being Focuses on the Kingdom attitudes Jesus identified, contrasts them to our natural attitudes, and provides exercises for exchanging ours for His. Being the Church A look at the book of Acts which focuses on dependence on God, and how hearing and responding to the Lord were the basic elements in being the church. Kingdom of Priests The restoring of identity to believers frees them to function in the Lord's authority, as their motives are continually refined by communion with Him. Communing with Self and the Lord on the Way to Oneness Will contain examples from Suzan's journals—some of her encounters with the Lord that have uncovered and replaced heart debris in order to demonstrate how that life-style with the Lord might unfold.
