*Everything you love about zombies... with a fresh twist!*

During the beginning of the apocalypse, the zombie virus responsible for killing millions of people, and plunging the world into an eternal darkness also created something unimaginable. In a rare mutation, the same virus adapted to the human genome and modified it to heal and regenerate skin tissue back to its normal default state. Unlike the original decaying horrors that roam aimlessly, these new zombies can easily pass for someone like you and me, *but make no mistake...* they still need to feed in order to maintain their appearance. This is a story of one such zombie. *One who is Self Aware!*

## **Praise & Reviews for Self-Aware:**

*"What an amazingly written book! You don't get many variations in the zombie genre so this was a welcomed change! Well executed, well constructed, quite believable, out of the norm zombie book! Thanks for the change up and congratulations!" - Julie (GoodReads)*

*"I'm giving Self-Aware five stars because I enjoyed the time I spent reading it. That's what I read a book for - enjoyment of the story. And Mr. Wolff told a GOOD story. It was compelling, it pulled me in, and he made me care about the characters. Sympathizing with a zombie, even! Who knew?!?!" - R. Harvey*
