The American Pageant: A History of the Republic

David M. Kennedy, Lizabeth Cohen, Thomas Bailey

The American Pageant: A History of the Republic David M. Kennedy, Lizabeth Cohen, Thomas Bailey
The American Pageant continues to enjoy a reputation as one of the most popular and effective textbooks in the field of American history. The text's colorful anecdotes, first-person quotations, and trademark wit bring American history to life. Revisions have been guided by the inclusion of the histories of previously overlooked individuals or groups, as well as the belief that the main drama of American history resides in the public arena, where these and other peoples have both cooperated and contended with one another. The Thirteenth Edition places greater emphasis on the global context for American history and provides expanded coverage of cultural innovation and intellectual ideas. Additionally, the new edition retains the pedagogical features that make The American Pageant accessible for students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis.
