Taking big risks had always been Archer Brook's way of life. It's what has to be done in order to get what you want, and he knew that better than anyone. Archer may have been born into a life of wealth and privilege, but he'd proven time and time again that his success was a result of his own true grit and determination. The savvy businessman was an experienced player in the game of life, always knowing when to ante up or when to cash out.

It was time to do both.

Burned out on the bright lights of Vegas, once the successful night club owner found the best of both worlds tucked away in a quiet Mississippi town, he never looked back.

That was until she walked into his bar.

Life has never been easy for Katy Vaughn. The preacher's daughter turned small town rebel has seen her fair share of heartbreak, and she's tired. Katy is done with men who have no idea what they want or how to treat a woman. She wants a real man. One who can give her everything she's ever dreamed of. One who will give her everything she needs. Lovers of the past may have broken her heart, but they could never break her spirit.

There was only one man capable of that.

You never know when love will come along and change...everything.
