Before there was Nick Knight there was Garreth Mikaelian! Before there was Forever Night® there was BloodWalk! Garreth Mikaelian, a dedicated police officer, runs into more than he counted on when he investigates a very peculiar murder. This leads him to Lane Barber-Young, beautiful, hypnotic, and a vampire. Now Garreth is a vampire also, but the books on the legends and lore of vampirism don't seem to help. How can he keep his job, his friends, and his humanity while battling another vampire in his new life? How will he keep from being the hunted while hunting Lane Barber?
