Europe Since 1980 (The World Since 1980)

Ivan T. Berend

Europe Since 1980 (The World Since 1980) Ivan T. Berend

This book tells the dramatic story of the economic, social, political, and cultural transformation of Europe during the transition from the Cold War to the European Union. Ivan Berend charts, in particular, the overwhelming impact of the collapse of communism on every aspect of European life. Europe became safer and more united, and Central and Eastern Europe started on the difficult road to economic modernization. However, the western half of Europe also changed. European integration gained momentum. The single market and the common currency were introduced, and the Union enlarged from nine to twenty-seven countries. This period also saw a revolution in information and communication technology, the increasing impact of globalization and the radical restructuring of the political system. The book explores the impact of all of these changes as well as the new challenges posed by the economic crisis of 2008-9 and asks which way now for Europe?

From reader reviews:

Sarah Alexander:

Book is actually written, printed, or highlighted for everything. You can understand everything you want by a book. Book has a different type. We all know that that book is important factor to bring us around the world. Next to that you can your reading expertise was fluently. A reserve Europe Since 1980 (The World Since 1980) will make you to always be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think this open or reading some sort of book make you bored. It is not necessarily make you fun. Why they may be thought like that? Have you looking for best book or appropriate book with you?

Mindy Martinez:

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want have more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining for instance comic or novel. The actual Europe Since 1980 (The World Since 1980) is kind of reserve which is giving the reader unpredictable experience.

Carol Ratliff:

This Europe Since 1980 (The World Since 1980) are reliable for you who want to be considered a successful person, why. The reason why of this Europe Since 1980 (The World Since 1980) can be among the great books you must have is actually giving you more than just simple reading food but feed anyone with information that might be will shock your prior knowledge. This book is handy, you can bring it everywhere you go and whenever your conditions both in e-book and printed types. Beside that this Europe Since 1980 (The World Since 1980) forcing you to have an enormous of experience for example rich vocabulary, giving you test of critical thinking that could it useful in your day activity. So , let's have it and enjoy reading.

Walter Burchett:

A lot of guide has printed but it is different. You can get it by net on social media. You can choose the very best book for you, science, comic, novel, or whatever by searching from it. It is identified as of book Europe Since 1980 (The World Since 1980). Contain your knowledge by it. Without leaving the printed book, it could add your knowledge and make an individual happier to read. It is most essential that, you must aware about reserve. It can bring you from one destination for a other place.
