It's Nut Cuttin' Time, America!: The Moment of Truth Has Arrived Mr. Patrick Dorinson

It's Nut Cuttin' Time is an insightful and humorous look at the American political and cultural landscape over the last six years. It takes aim at the preening politicians of both parties and also takes a swing at our self-indulgent celebrity-obsessed pop culture. It's Nut Cuttin' Time is written by someone who just doesn't comment on politics from the bleachers like today's TV pundits, but who was actually fighting in the arena for over 25 years. Patrick Dorinson is a modern day Will Rogers with sharp elbows who's had an insider's view of the political system having been on both sides of the aisle and as he likes to say, "in the aisle itself". Patrick's cowboy wisdom will make you laugh, make you cry, and most of all, it will make you think. If you've had enough of the bloviating blowhards who won't admit how America got into this mess, or explain how we'll get out of it, this return to simple common sense is a must read."
