Have you dreamed of leaving your fast-paced, high stress world for one that is more laid back?

Do you want to leave behind the financial hardships of working day in and day out and barely making enough to put food on the table? If you answered yes, living off the grid is the answer! Getting off the grid and transitioning to a self-sustaining lifestyle that gives you financial freedom is one way for you to enjoy life more.

Learning how to grow your own food and living without some of the luxuries in life will give you financial peace of mind without destroying your quality of life. When you make the leap to going off the grid and relying only on the sun for your energy needs, you are making a conscious choice to do something good for the environment and your bank account. Raising livestock on your own land is one way to ensure your food is healthy as well as extremely cheap! The satisfaction of knowing you can provide for yourself without relying on city and government services is worth every penny of the initial investment to go off the grid. This book will help you make decisions about what you need to go off the grid and thrive.

With This Book You Will...

- Learn About The Pros & Cons Off Living Off the Grid
- Learn About Alternatives to City Gas, Water and Electricity
Cooking Including Heating with Wood And Recycled Paper
- Learn The Basics of Growing Your Own Fruits, Vegetables and Herbs
- Learn About Raising Small Livestock
- Learn Money Management Tips & Bartering
- Learn How to Deal With Local Laws
- Much, Much More

Readers say.....

"I was born in province wherein the most important needs is just you have food clothing and shelter. After my college, I find work in the City so I live here for almost 14 years. Every time I went home to my province, really i find it hard to stay for a long time there cos there is such a big difference in terms of lifestyle. Lack of power source. They are living in a more rural setting.

When I saw this book it makes me interest to read cos this book will simple guide all of us to OFF THE GRID SURVIVAL. Meaning it will teach you how on how you can survive living without any city resources and living off the land in more rural setting. I can definitely say that if you will leave this way, you can save more money and take you out in your debt really . So if you are planning and decided to live OFF THE GRID, this book is for you..So awesome"..... Odesa Apellado

"I really related to a lot of the Pros listed for living off the grid. I am generally quite a minimalist and would really like to pack it all in and live self-sufficiently on my own land.

I liked the ideas for using a solar oven and pressure cookers as a way to save electricity. There were tons of tips i hadn't considered, such as briquetting, using a dutch oven and building a greenhouse. Also, I'm going to read more about growing herbs for pest control.

This book has given me a lot to think about"..... Erin

"This book is a great read. It is well written and shares great tips on how to thrive in a minimalist survival mode. I really enjoyed all of the information regarding how to grow your own fruits, vegetables and herbs. It really opened my eyes to just how much money I could be saving by practicing some of the tips shared in this book".....Merry May
