Ravaged by the Black Werewolf

Katie works in a conservative bar in London, selling ale to middle aged white men day in and day out. On one particularly dull evening a dark skinned man entered, all eyes shifted to his direction and racial slurs soon left peoples lips. Katie was appalled, after the gentleman left she felt the need to apologize on behalf of the bar – she felt the need to speak to the exotic man whose smooth skin and muscular body had caught her eye. However upon entering the dark alleyway and following the figure into the night Katie soon realizes that there is much more to this man than the color of his skin. With a full moon hanging in the air and the howls of the wolves circling the city of London Katie finds herself in a paranormal romance with a man who is also a beast.
