100 Reasons T.S. Dann

Contained within this volume is an odorous treatise upon the concept that has come to be known as “the human condition”. It is not a pleasant journey; in fact it is one born out of frustration, alienation, anger, and resentment. The imagery is informed by crime scenes, illness, psychosis, violence, and other unpleasantries. All of these things have been witnessed by heavy eyes that have seen modern man at its rawest and most debased. These are the reactions and attempts to understand such things.

Readers be wary.

Trigger warnings: violent content, sociopolitical hopelessness, sexual innuendo, grown folks language, death, generalized misanthropy.
