Buckets of Wisdom: Observations about life, animals, the weather, time travel, and other things Ed Feathers

This micro-book (19,000 words or about 40 pages) is a collection of post from the blog edfeathers.com. Quirky, humorous and off beat observations and micro short stories.

"I've only been Aquaman for about an hour and already I think I made a mistake. I almost chose Superman, but it seemed like the obvious choice and I didn't want to be "that guy". Thought I'd be cool and throw everyone off and be Aquaman. I'm already tired of swimming and I smell like fish. I will say that making the sea animals obey me is pretty cool though. Maybe it will get better."

CLOUD WATCHING

"I like watching clouds. I don't do it hardly enough, but when I do I feel relaxed and rejuvenated. There's a field (parking lot) not far from my house, and I frequently go there in the warmth of the noonday sun and lay back on the cool grass (asphalt). I watch the clouds go by and imagine them to be horses or fish or giant cloud-like balls of water vapor."

SHUNNING GAMES

"He was so tired of being different. He played with the other squirrels, but was never fully accepted by them. It hurt, and it just seemed like things were getting worse. He didn't look like them, with his hawk like nose, large talons, and flying ability. He feared he would never be part of their inner circle. Heck, he didn't even like acorns. He had never fit in, but ever since he ate Ricky, the "other" squirrels had ramped things up to a full-blown shun."

SQUIRREL BASKET

"Whenever you've been given the responsibility of delivering basket of baby squirrels across town, you have to be on guard against all kinds of dangers: hawks, feral cats, ...a large hole in the basket. Who knew, right?"

DIAPER DAN

"He lived across the street and everyone called him "Diaper Dan." I guess this was some sort of ironic cruel nickname that was hung him because he was anything but dapper. His clothes were were frumpy and wrinkled and he was basically a disheveled mess every time I saw him. Or, his nickname may have been from the fact that it was common knowledge that he wore diapers."
