Delphi Complete Works of Frank Norris (Illustrated) (Series Six Book 10) Frank Norris

Regarded as the first important naturalist writer of the United States, Frank Norris wrote modern masterpieces such as 'McTeague' and 'The Octopus', adopting a humanitarian ideal and utilising the novel as an agent for social betterment. Norris strove to free American fiction from the prevalent historical romance of his times, seeking instead more serious themes, while presenting an authentic and highly readable picture of life in turn of the century California. For the first time in digital publishing history, this comprehensive eBook presents Norris' complete works, with numerous illustrations, informative introductions and a treasure trove of Delphi bonus material. (Version 1)
