"Edgy and compelling...sizzles." --Alyssa Day

Eyeing the gorgeous blond nightclub singer, Atlanta detective Todd Brooks feels sure there's a higher power somewhere. But a twisted killer is leaving a trail of bodies in seedy hotel rooms across town. The male victims show no wounds--it's as if the life was simply drained from them. And right now, the mysterious Cara Firon is Todd's only suspect.

Cara knows it's foolish to be so drawn to a man who thinks she's a murderer. She also knows Detective Brooks would find the truth even harder to swallow. Cara is one of the *Others*, a race of powerful, paranormal creatures who live among humans. Cara's particular abilities make men putty in her hands--all except this rugged, sexy-as-hell detective. But now someone, or *something*, has singled Cara out for serious payback. . .
