Save when you order the text and activity book together!

With the new edition of this activity book—the companion to Judith Birsh's bestselling text, *Multisensory Teaching of Basic Language Skills*—students and practitioners will get the practice they need to use multisensory teaching effectively with students who have dyslexia and other learning disabilities. Ideal for both pre-service teacher education courses and in-service professional development, the activity book **aligns with the third edition of the *Multisensory Teaching* textbook**, so readers can easily use them in tandem.

Students and professionals will get more than 100 easy-to-use activities that cover all the areas in the text, including

- oral language
- multisensory teaching
- research
- phonological awareness
- letter recognition
- syllable division
- spelling
- decoding
- fluency
- comprehension
- composition
- mathematics

Users will also find answer keys, forms to help them with lesson planning, and other practical activities and handouts they can use with their own students. With this must-have activity book, educators will increase their knowledge of language structure and patterns, hone their instruction skills, and improve students' academic outcomes.
