1. Trimble, Tenn., Sept. 20.--Yesterday Jim Harber and others were sitting in front of Simpson's grocery. Bob Jellow drew a sun glass from his pocket and focused its lens on Harber's uncovered head. The glass did more than was expected. The concentrated rays did not reach Harber's scalp, but suddenly his head was a mass of flames, caused by the ignition of the bay rum on the hair, he having just come from the barber shop. He says he will have Jones arrested as soon as he is out of the hospital and demand his removal.

4. Muncie, Ind.--There has been some question as to what the legal consequences might be should the public authorities remove a person who was supposed to be suffering from smallpox to a smallpox hospital, and who might subsequently be found not to have the disease, which in its earlier stages is very difficult of diagnosis....
