BAMBOOZLING BLACK AMERICA is a Fictional account of a plot to destroy Black America. Secret agencies with devious minds have hatched a plot to bring about the demise of Black people in America.

The book is a collection of secret documents between secret agents that outline in detail their plans to destroy Black America. Is it a novel? Is it a commentary? Is it a documentary? A history book? A guide? You be the judge!

Inside the pages of this highly controversial, eye opening, uplifting, racially charged, historically accurate and informative book, is an insight into Black America and the challenges that lay before them. Discover their past, present and ponder their future as you see how the plot is unfolding.

For Black Americans, it may be one of the greatest wake-up calls of the century! For non-Blacks, it may be one of the greatest insights on subjects whispered about but never spoken aloud and answers to questions that are too volatile to ask.
